BUILT ON TRUST, DESIGNED FOR EASE

VIPColor VP760 is a next-generation desktop colour label printer for regulated industries —Food & Beverage, Chemical, Supplements, and Pharma—where compliance, reliability, and productivity are of utmost importance. Built on a decade of proven performance, VP760 combines rugged industrial hardware with intelligent features and an intuitive user experience to help businesses print faster, safer, and with confidence.

Key benefits:

- ✓ High Speed - Print 1,800 (6 x 4") labels in less than 10 min
- ✓ Brilliant color quality image
- ✓ Large individual ink tanks
- ✓ Enhanced water-resistant inks
- ✓ Food safe & environmentally friendly dye ink formula
- ✓ Instant reprint for frequent jobs
- ✓ Ease of use & maintenance

Intuitive User Experience

- 5" HMI Touchscreen
- Icon-based navigation
